## **PUBLIC NOTICE**

### ALL UNEMPLOYED GRADUATES

The Raymond Mhlaba Economic Development Agency (RMEDA) in partnership with the South African council for graduates, Fasset and MerSETA is participating in a Graduate Placement Programme. The programme seeks to provide temporary employment opportunities for young graduates who have not been able to find employment, and also offer opportunities for graduates to gain useful experience in a range of areas that can improve their readiness for employment and open up career pathways that may not have been available without work experience.

In response to the above problem statement, the agency is creating a database from which suitable skills will be selected from, at any given time.

Graduates from the Raymond Mhlaba Municipality are required to submit their Curriculum vitae, Certified ID and Certified proof of qualifications (certification not older than 2 months) to :  
[siyasangasomngcuka20@gmail.com](mailto:siyasangasomngcuka20@gmail.com)

Required graduates are expected to have the following attributes

1. Computer Literacy skills
2. Self-Motivation and ability to work under pressure
3. Excellent communication skills
4. Writing skills

Expected graduates must ONLY reside within Raymond Mhlaba Local Municipality and a confirmation letter from the councillor is REQUIRED.
